LONE WOLF

Sharon H. H. H.

HIGH SCHOOL

Byron -  
You have really been  
a swell pal to talk  
to this year. I hope  
we will always be  
good friends like we  
are now. You have  
a good personality  
sometimes (not really)  
Good luck with Kurty.

Randy

Gwen -

B Math would have  
been a bore without  
you. Its been a  
long time coming, but  
I guess its finally here.  
We're going to graduate  
(whee) Have a blast  
at TWU and keep some  
need down for me. Gwen,

Joe

Someone said that  
old friends are like old  
shoes - even though we  
like to show off new  
shoes, we go back to the  
old ones when it comes  
to comfort. Guess that's  
the way it is with us.

You have become a  
part of my life, so it  
will never matter how  
far apart we may be  
in miles. You'll always  
be with me.

We're too close now  
to put into words what  
our friendship means,  
but we know and will  
keep on knowing.

Love,  
Laura.

Gwen

To a real cute  
cousin that I have  
enjoyed knowing as a Senior.  
Good Luck in the Future.  
(Gap) Best  
Swoman

Gwen

To a real sweet girl. I  
have really enjoyed knowing  
you over the past years. May  
you always be a success.  
Best Luck always.

## *Dalhart High School*

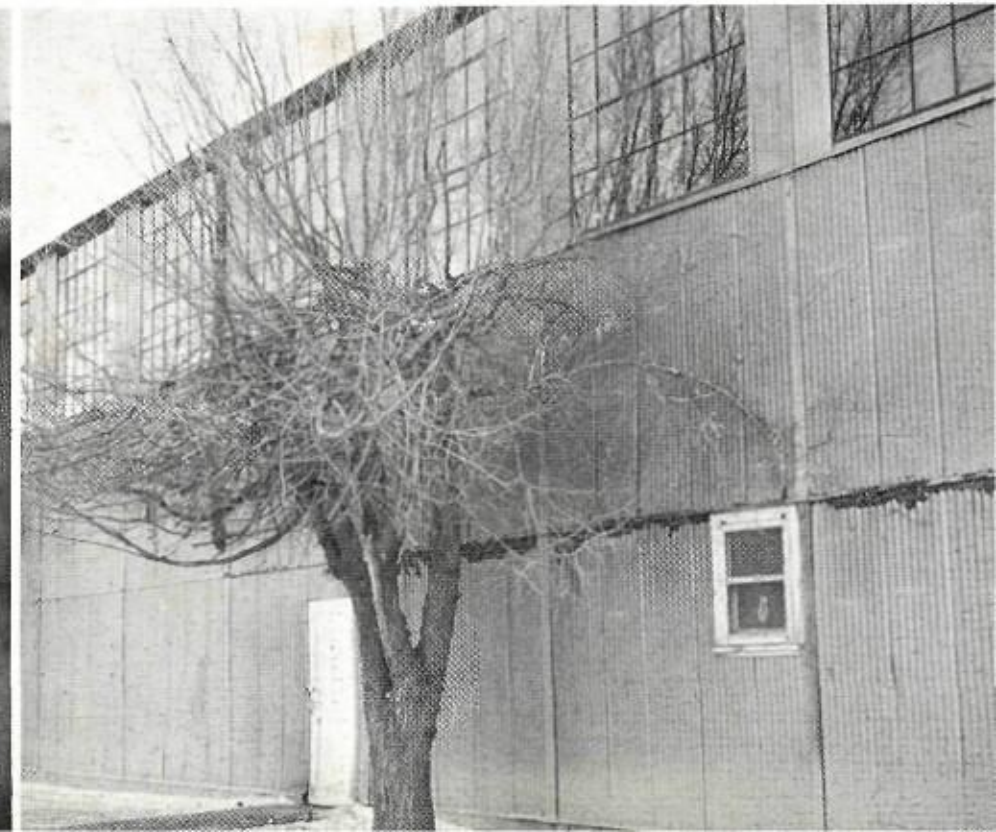

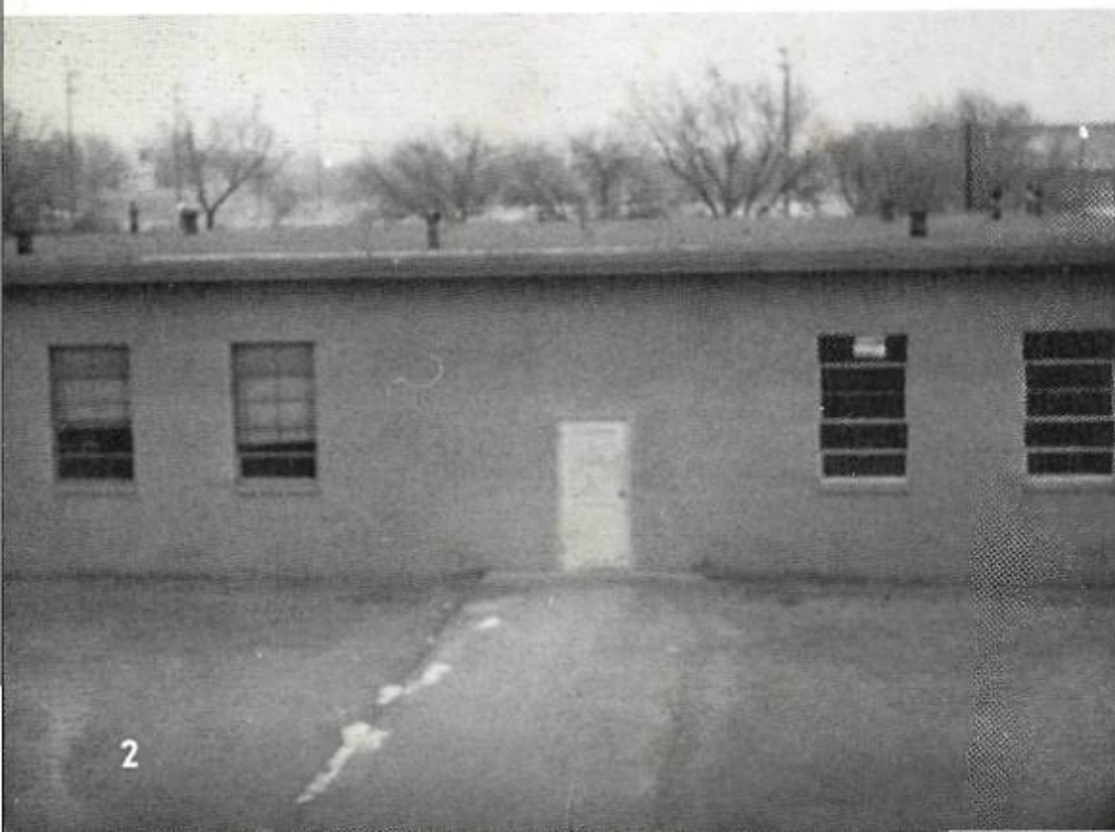

Far out on the western prairie  
 Standing plain to view,  
 Is our dear old Dalhart High School,  
 Towering toward the blue.

In her halls we've toiled and struggled  
 Many tasks begun,  
 And in her, our Alma Mater,  
 Many victories won.

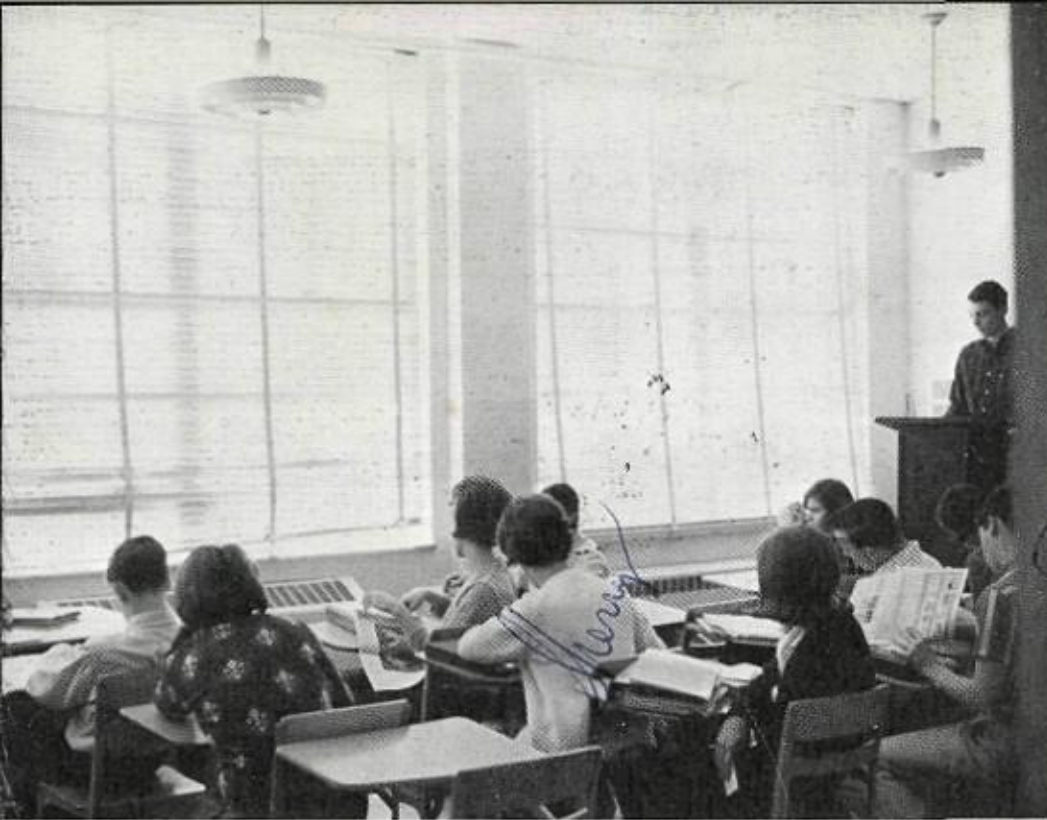

Greet we then our foster mother  
 Noble friend so true,  
 When we strive in world and college,  
 We will think of you.

### CHORUS

Hail, all Hail our Alma Mater,  
 Hail dear Dalhart High,  
 We bear thee a love so fervent  
 It can never die.

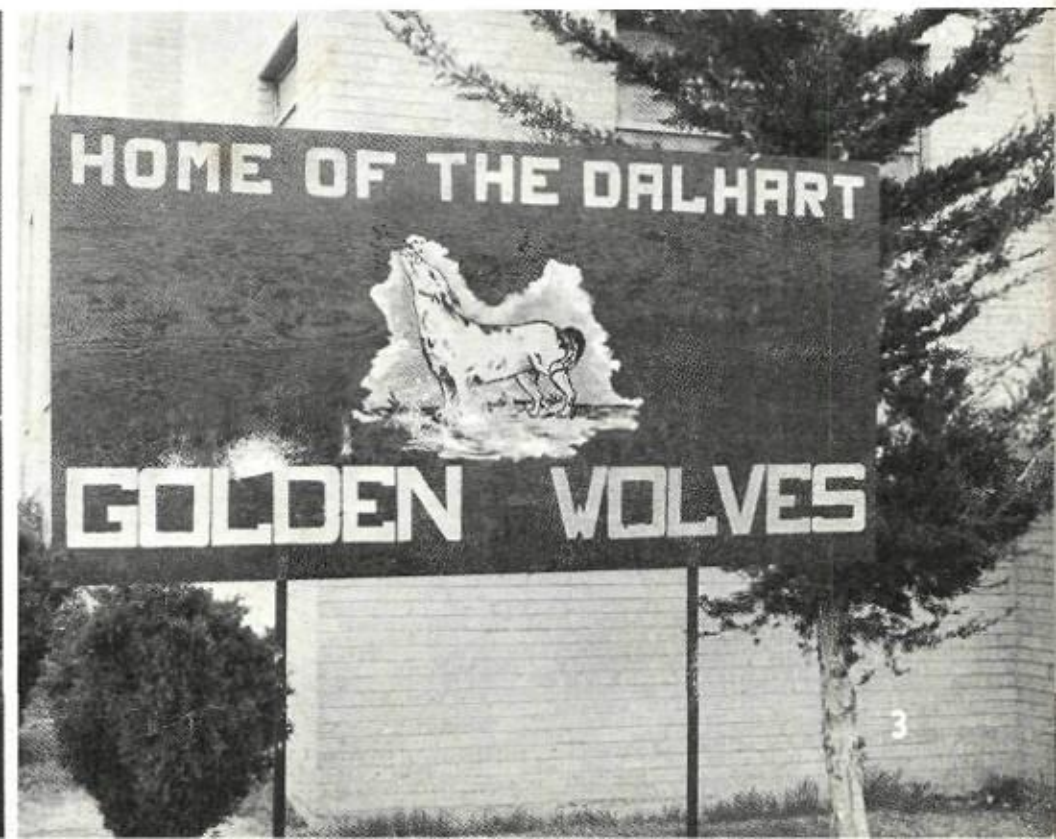

## *Foreword*

From registration to final exams, 1965-1966 at Dalhart High School was a memorable year. Eager to renew old friendships, but not so eager to resume classes, students returned from the "shortest summer ever" to begin the school year.

As the confusion subsided, the year began to progress smoothly. The days flew by, and with them, many experiences. All Wolves remember the wild excitement of the first touchdown of the season, the casual moments of con-

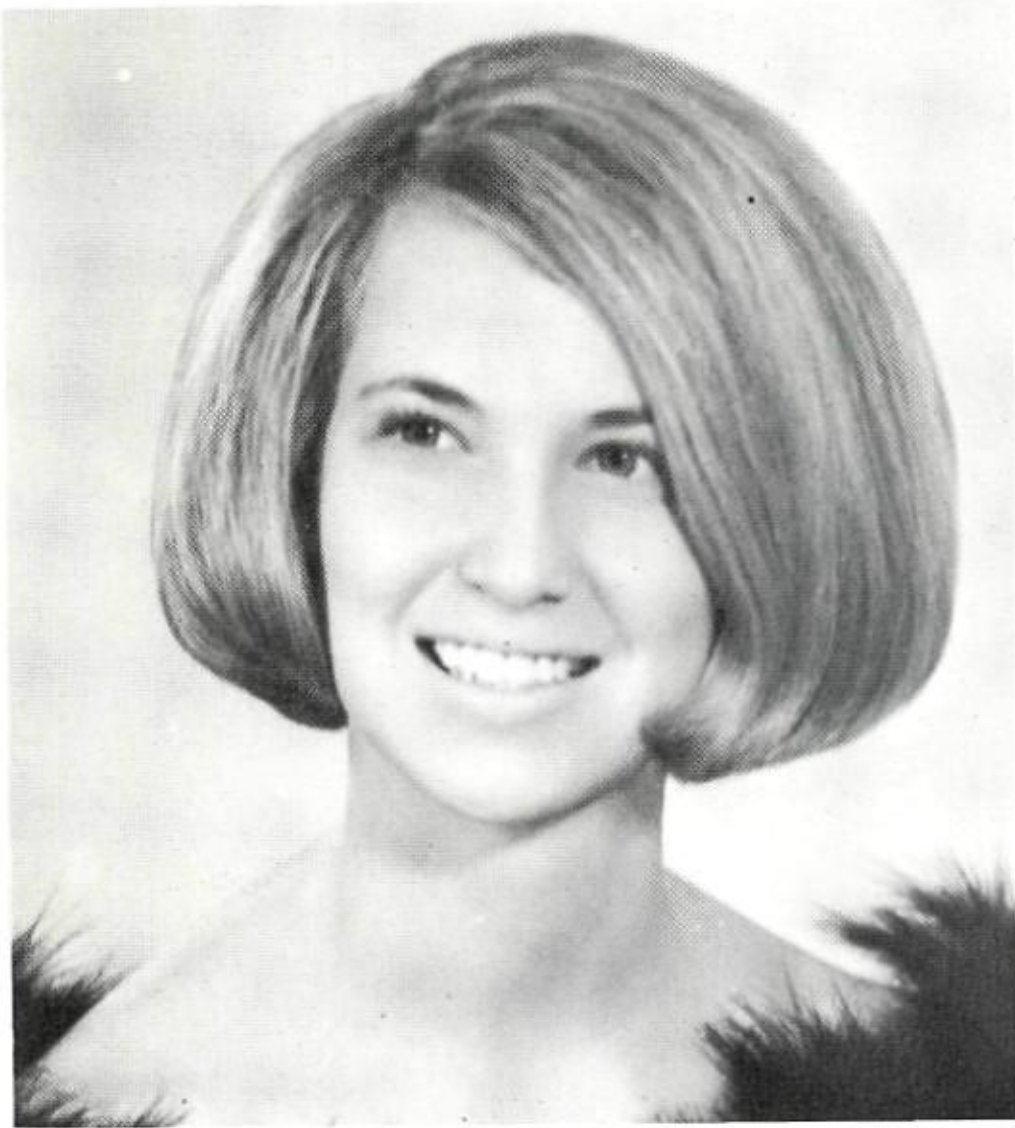

versation with friends, and the countless hours of study both in and out of classes.

As the school year is ending, students begin looking ahead to future years, but memories of the past are not pushed aside. When phrases such as "Remember how we used to . . ." occur in conversations, the 1965-1966 school year at Dalhart High School will be relived many times.

## *Principal's Message*

In retrospect, I certainly feel that this has been one of Dalhart Senior High School's finest years. Retrospect is, of course, the reason for publishing this annual. I know that this fine publication will be more valuable to you as the years pass.

Congratulations to the Lone Wolf staff and Mrs. Lang, and a sincere "thank you" for this outstanding record of this year's accomplishments.

I hope that each of you will always be an asset to God, your family, your state, and your nation. Always have the pride displayed for Dalhart Senior High in all that you do, and I know that your life will be successful.

Sincerely,

*Crandall J. Young*

## *Superintendent's Message*

Through the courtesy of the Lone Wolf Staff for 1966, I extend greetings to the students, graduates and friends of Dalhart High School.

I am grateful for the earnest cooperation of the students and faculty of the Dalhart High School for their efforts to fulfill their responsibility in developing a strong instructional program.

This annual is a record of your school activities and achievements, and it points to a student body that has intense pride in its school. I trust that the years spent in Dalhart High School will be both pleasant and profitable ones for each of you and that they have contributed toward making a better life mentally, physically, socially and spiritually for each student.

Sincerely,

Gwen -

It's been a great five years with this your senior year being the greatest. I have enjoyed having you in class and working with you in extra curricular activities especially as a cheerleader. I was really glad when you changed your mind and went ahead and tried out for senior cheerleader and I was really thrilled because you came out on top. You have made a great one, and I'm just thankful that I had the opportunity to work with you.

Swier, we have had our ups & downs through the years but things have always worked out fine. I know that so many of those times were my fault and am sorry but you know they say that you always hurt those that you care for the most. I'll treasure your friendship in the years to come and remember all the good & bad times that we have had.

I'm thrilled that you are seriously thinking about majoring in physical education. I hope you stick with it because I think you'll make a fine teacher.

May you always have the best of luck in the future and may all your dreams come true and may God bless and keep you.

P.S. Remember - I'm always around if you need me!!

Love  
Shirley Derry

See, I wish you could still be cheerleader, cause you're a real nut! Hope you come to lots of our games etc. If you talk nice we might let you join us. Lots of luck next year. May God bless and keep you always. Love, Luck & Happiness

Gwendolyn,  
 You are real sharp.  
 You are neat too (except for

 You have one of the greatest  
 personalities of anyone I  
 know. You will do very far  
 in life. God bless you for

 the best in life because  
 you deserve it. May
